**KIDSAFE FOUNDATION NATIONAL CHILD  
ADVOCATE OF THE YEAR 2018**

Aly Raisman is widely regarded as one of the most accomplished gymnasts in American history. A native of Needham, Massachusetts, Raisman is a two-time team captain and six-time Olympic Medalist. A leader on and off the floor, Raisman has used her platform to promote positive body image and to encourage everyone to be comfortable and confident in their own skin. In her New York Times best-selling memoir, – *Fierce* – she shares the highs and lows of her journey, including her survival of sexual abuse. Raisman continues to share her story to help advocate for sexual abuse survivors and push for systematic changes within the sport of gymnastics and society. Follow Aly on Twitter: @Aly\_Raisman and Instagram/Facebook: @AlyRaisman

Every guest will receive a copy of Aly's New York Times Best Selling Book:

**"Fierce – How Competing for Myself Changed Everything"**

**Book Blurb:** When Aly Raisman walked onto a gymnastics mat as a toddler, it marked the first step on her journey to gold – and beyond. It was a road full of hard work, persistence, and victories, but not without its hardships. From naysayers who said she'd never make it far in gymnastics to classmates who shamed her for her athletic body to a devastating betrayal of trust, Aly's path to success was never easy. Surrounding herself with supportive family, friends, and teammates, Aly remained positive and learned how to be a champion on the floor and off.

In her own frank and funny, honest and heartfelt style, Aly takes readers on a behind-the-scenes journey through her life, revealing her highest highs, lowest lows, and all the moments in between. With bonus photos and insider advice, *Fierce* provides a lens into the world of an elite gymnast, while also sharing hard-won insight on rising above life's challenges, learning to love yourself, pursuing your passions, and working to be your best self.

## ***Singer Kendra Erika Will Perform At The KidSafe Gala***

Kendra Erika is a South Florida native singer/songwriter. Kendra's Deep House/Pop recording style developed from the eclectic vibes of her surrounding musical culture and community. Focused on being truthful to her core artistry and authentic to who she is as a person, Kendra brings a dynamic cinematic experience to everything she produces. In December 2016, Kendra hit the Top 10 for 14 weeks on the Billboard Dance Club chart claiming the #9 spot with her breakthrough hit single "Oasis", produced by Damon Sharpe (Monica, Ariana Grande, Kelly Rowland.)

In June 2017, Kendra released her second Billboard Dance Club single "Under My Skin", which reached #6 on Billboard Dance Club. Inspired by the alluring Frank Sinatra title, this song brings more of a big-room vibe to the dance club scene. Headlining remixers, such as Marc Stout (Katy Perry's "Chained to the Rhythm"), have remixed and taken it to their major venues, such as XS Las Vegas.

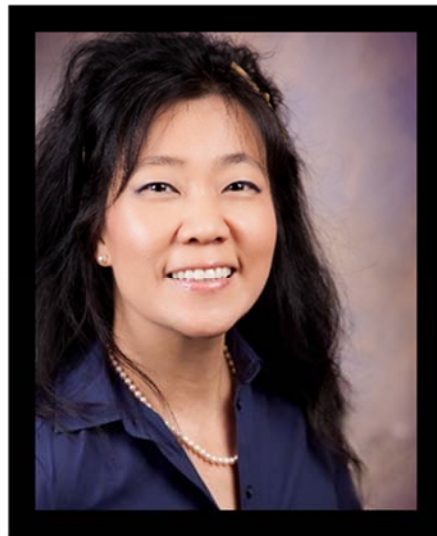

Kendra recently recorded two more tracks with Damon Sharpe, which will be featured on her album due in September, as well as opening up for Jason Derulo in November as part of sharing and promoting the new album. Kendra has recently played at a myriad of different venues throughout Florida including Vibe in Las Olas, Stache in Fort Lauderdale, Score Nightclub in Miami, and The Manor Complex in Wilton Manors.
