

# Tattling vs. Reporting

How do we know when to tell an adult about someone else's behavior?

## Reporting

- purpose is to keep someone safe
- need help from an adult
- important
- behavior is harmful or dangerous
- behavior is on purpose

## Tattling

- purpose is to get someone in trouble
- can solve the problem on my own
- unimportant
- behavior is harmless
- behavior is on accident

Cut & paste the sentences below to the correct column in the chart.

"They won't play with me."	"He picked his nose."	"She won't stop kicking me."
"They are throwing rocks at us."	"She fell and is bleeding."	"He cut me in line."
